

# ALABAMA STATEWIDE BICYCLE AND PEDESTRIAN PLAN

Newsletter –November 2015

## IMPROVING BICYCLE & PEDESTRIAN MOBILITY IN ALABAMA

### Purpose of the Plan

- Establish a vision for bicycling and walking as modes of transportation in Alabama
- Help guide investment in bicycle and pedestrian facilities that maximize limited available funding

### Workshop Schedule

January 19, 2016, 4 – 7 PM  
23445 US Highway 431  
Guntersville, Alabama 35976

January 20, 2016, 4 – 7 PM  
1020 Bankhead Highway West  
Birmingham, Alabama 35204

January 21, 2016, 4 – 7 PM  
2715 East Skyland Boulevard  
Tuscaloosa, Alabama 35405

January 26, 2016 4 – 7 PM  
1701 West I-65 Service Road North  
Mobile, Alabama 36618

January 24, 2016 4 – 7 PM  
1525 Coliseum Boulevard  
Montgomery, Alabama 36110

### Moving Forward

The Bicycle and Pedestrian Team received over 1500 responses. The Team is processing survey responses. This is an important tool to assess existing conditions and future needs of bicycle and pedestrian transportation.

The next step in this process are the five scheduled workshops - one in each of ALDOT's regions. Organized as open houses, those attending will have an opportunity to review findings and ask questions.

A second survey will be offered to gather additional feedback and comments.
